

## Early Years & Stage 1: Focus on Frogs

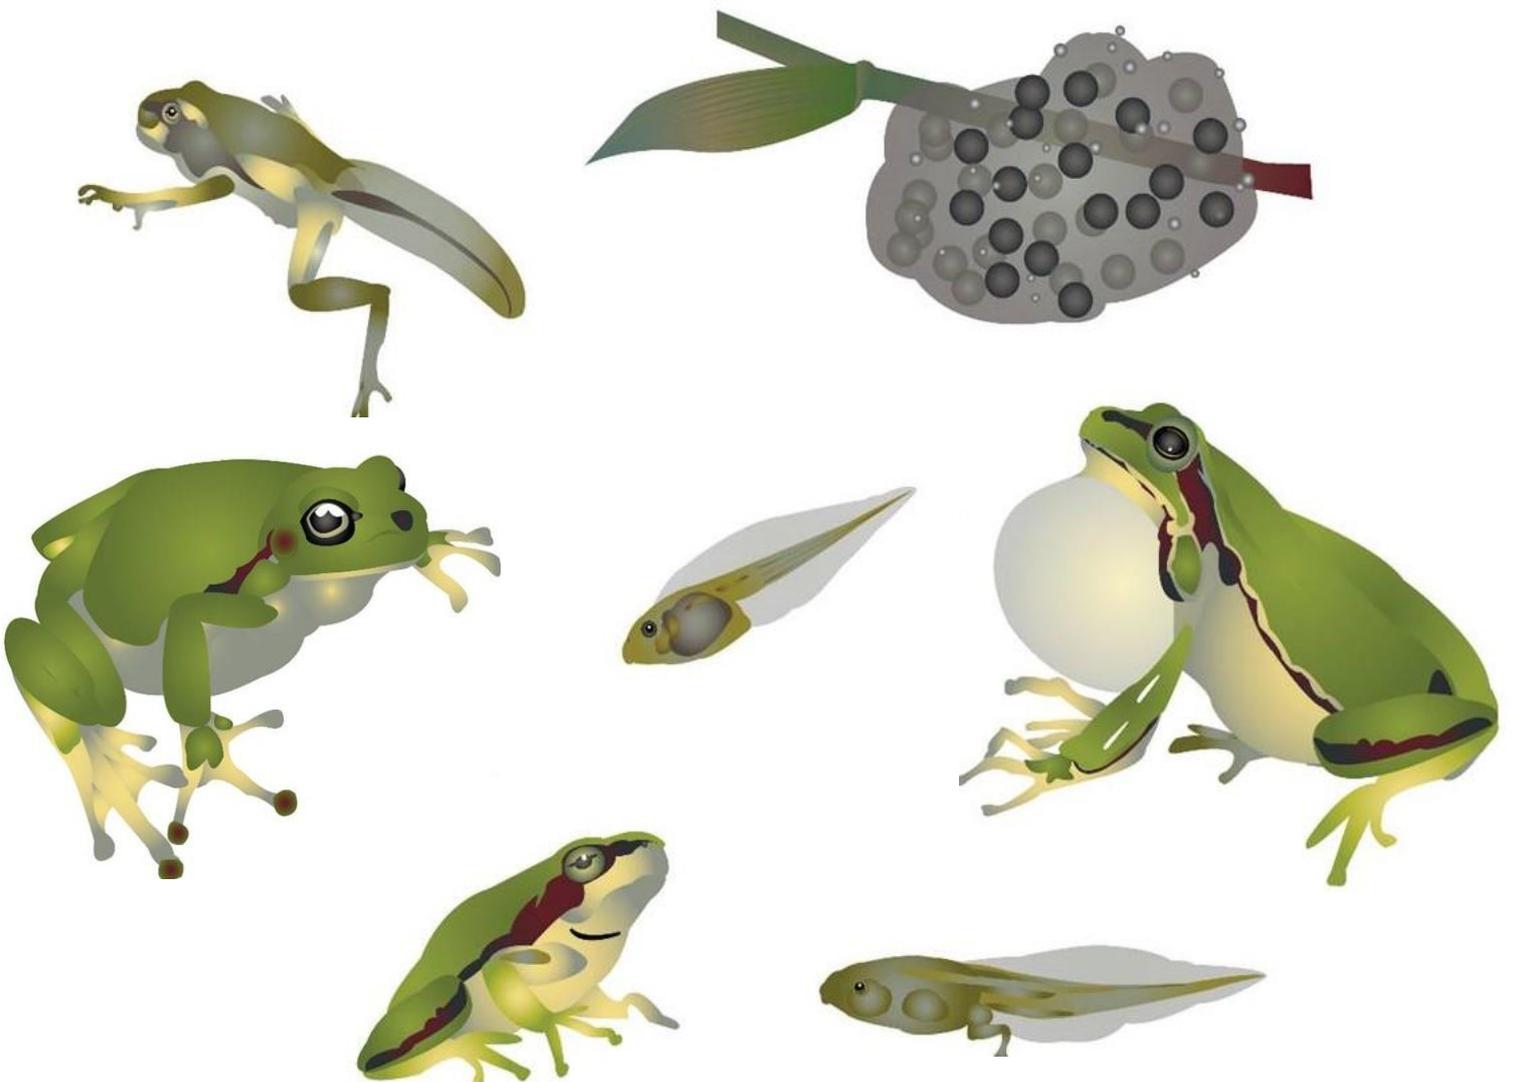

### Activities: Observations outside

Go into your backyard or local park. Look and listen to discover frogs. Listen for 5 mins, did you hear a frog? Yes/No

What could you do to make a frog friendly environment?

### Activities: Frog Life cycle

Number the pictures 1 - 7 to put the Frog Life cycle in order

## Activities: Create a new Frog species

Design and colour in the frog to make a new species!

Name your new species

What habitat does it live in?

What sound does it make?
